General Details / Operating Condition:

Commencing at 0200 hours on Saturday 13th September 2025 to 1930 hours on Monday 15th September 2025, to allow infrastructure works to be undertaken at various times at or over the ARTC NSW and ARTC Victoria interface boundary at Albury, ARTC will require and apply back-to-back work on track possession authorities.

- A NSW Local Possession Authority (LPA) will be in as per TAA 1101-2025.
- A Victorian (TA20) Absolute Occupation (AO) will be in place as per TAA 1102-2025.

Safeworking Arrangements:

Whilst work is being undertaken at or over the interface boundary the following requirements will apply:

- The Possession Protection Officer (PPO) for the LPA and the Track Force Protection Coordinator (TFPC) for the AO must confer and come to a clear understanding of the worksite requirements and the worksite protection to be established over the interface boundary.
- As soon as the work at or over the interface boundary is complete, both the PPO and TFPC must ensure that possession protection is reestablished in accordance with ANWT 302 & ANPR 700 and TA20 Section 15 Rule 9.

Recipients must ensure this Notice is circulated to and understood by all personnel affected by, or needing to know, its content.
